More info at: www.Saganetconnections.nl

Keynote Speaker Dr. Peter Perla
Center for Naval Analysis
Author of “The Art of Wargaming”

Peter Perla, PhD is a globally recognized leading writer, speaker on the use of wargaming as a means for preparing decision-making.

On the morning of September 14th you can meet Peter at our meeting. In an informal, interactive manner he will playfully illustrate potency of wargaming, the afternoon is all about the experience of wargaming.

On the basis of a 5 typical war games you can see and experience the different approaches of wargaming itself.

The evening concludes with a dinner in Fort Vechten and a story by Peter Perla on the art and science of wargaming.

More info at: www.Saganetconnections.nl

For the real "die hards" we organize a second day on September the 15th, right after the seminar. Purpose of this second day is a further deepening of insight through intensive gameplay and shared critical reflection.

With this second day we intent to “practice what we preach”, strengthening wargaming practice in the Netherlands. The shared experience also makes it easier to meet each other later on.

DAG 2: Wargaming Deep Dive

09.30 uur	Opening
10.00 uur	Round 1
