LEGEND
 In this concept diagram each color-coded link asks one of the following questions about the statement at the root of the link, and proposes the statement at the end of the link as an answer:
 What do we want? (black) →
 Why do we want it? (purple) →
 Why is this a problem? (red) →
 How is this useful? (blue) →
 What should we do? (green) →
 and underlined nodes are hotlinks to references.
