

## International Wargaming Conference 2022

The Education and Youth Strategy Department of the Ministry of Defense and the National University of Public Service are organizing an **international (English-Hungarian)** conference on **26 October 2022 (Wednesday) between 10.00 and 15.00** at the **Stefánia Palace - Honvéd Cultural Center, Budapest**. The topic of the conference is the current state of modern professional and hobby wargaming in Hungary and the Central Eastern European Region, Serious Gaming and Game Based Pedagogy/Learning, and the possible future role of wargaming in Research & Development and Innovation. The dedicated goal of the conference is to build relationship between wargamers and those interested in wargaming, to help further cooperation.

All participants are welcomed to the conference (on-site registration), and we are also looking for presenters to hold a **15-minute presentation** and/or a **90-120-minute workshop** (conduct a wargame) on the following topics:

- Wargaming and creativity at all levels of Education
- COA Wargaming (MDMP, COPD, OPP, etc.) methodology
- Possibilities in Strategic Level Wargaming
- Wargame based Cooperation between sectors (state, civil, business, military, etc.)
- Organization Development and Leadership Training with wargames
- Wargaming in Concept and Capability Development
- Modeling & Simulation, and Wargames
- Wargame Design and Wargame-based Exercise/Education Planning
- Hobby (historical) and Recreational wargaming
- International Wargaming experiences

In addition to the above, any other wargaming related topics are welcomed!
