# Policy Horizons Canada

Policy Horizons Canada (Policy Horizons) is the Government of Canada's centre of excellence in foresight.

Our mandate is to empower the Government of Canada with a future-oriented mindset and outlook to strengthen decision making.

To fulfill our mandate, we:

- Analyze the emerging policy landscape, the challenges that lie ahead, and the opportunities opening up;
- Engage in conversations with public servants and citizens about forward-looking research to inform their understanding and decision making; and
- Build foresight literacy and capacity across the federal public service.

Our mandate is government-wide. We are governed by a Deputy Minister Steering Committee, co-chaired by the Deputy Minister of Employment and Social Development Canada and the Deputy Secretary to the Cabinet (Plans and Consultations) of the Privy Council Office.
