The Role of Games: A Trigger for Change

- Making the intangible tangible
- High Risk, High Impact
- Cue Ball Effect

3

One highlight of what we achieved with games:

“You succeeded in creating a game to teach about biases in a non-judgemental way!”

4

How did we get there and for how long?:

By practicing what we preach... at last!

By experiencing the transformative power of games

5

How have you developed your knowledge and skills:

Collaboratively, with a dedicated team, network and mentors thinking like entrepreneurs with the belief that we can do it and the drive... to do it.

6

Where are you going with Games?
